Addressing difficult issues needs extra time and support

Our social prescribing link workers can help you look after more than just your health. We work alongside GPs and nurses to help you get extra support.

Services to help you feel better

We can link you up with free and low cost services:

- Housing, benefits and financial support and advice
- Employment, training and volunteering
- Education and learning
- Healthy lifestyle advice and physical activity
- Arts, music, outdoors and creative activities
- Befriending, counselling and emotional support groups

We speak with you on the phone or meet face-to-face. Together we can:

1. Discuss issues you're facing
2. Explore what is important for you
3. Find local activities and services
4. Give you support to access them

"I was surprised to learn there's so much in my area"

"I didn't need pills, just advice and support at a tough time"

"It was nice to talk to someone outside my family"

"The extra help I received has made the future seem much brighter"
