

Boosting Life Sciences Social Economy

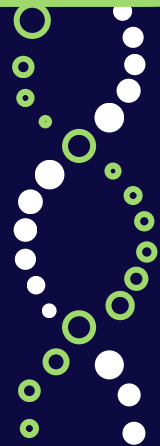

Incubation and mentoring programme

LET US HELP YOU MAKE YOUR HEALTH & WELLBEING BUSINESS IDEA A REALITY

Live in Tower Hamlets? We have a special programme just for you. It's free and you'll get one-on-one support. We focus on business ideas related to taking care of your body and mind.

WHAT DOES IT OFFER?

- Mentoring from business experts
- One-to-one support sessions on developing a business plan, problem solving, building confidence, and understanding networking opportunities.
- Facilitated peer-to-peer learning groups
- Group workshops focussing on subjects such as securing funding, impact measurement and preparing to replicate and scale
- Networking opportunities
